Metromover's inner and outer loops run from 5 a.m. to midnight, seven days a week, including holidays. The outer loop serving Brickell and Omni operates as one continuous loop from 7 p.m. to midnight, seven days a week. Trains arrive every 90 seconds during rush hours and every three minutes during off-peak hours.

Bike & Ride on Metromover

Cyclists now can ride anytime with their bikes on Metromover without a bicycle permit. However, cyclists who use Metrorail must apply for a permit and must be at least 12 years of age. Permits should be readily available when requested by a transit official.

Complete details on the Bike & Ride program, including the Bike & Ride permit application, are at [www.miamidade.gov/transit/](http://www.miamidade.gov/transit/). To print a copy, click the **Publications** link on our home page and scroll down to the **Bike & Ride** link. You also can get a copy of the permit application from your local Team Metro office (305-468-5900 for the nearest location). These offices are open Monday through Friday, 8 a.m. to 5 p.m.

Art En Route

School Board, Omni, Eleventh Street, Park West, Freedom Tower, Riverwalk, Eighth Street, and Brickell stations feature works of art by local and national artists in a variety of media. Each work reflects the distinct flavor of the surrounding area.
